

PARISH of SAINT PAUL, BRIGHTON

Vicar: The Revd Fr Robert Norbury

In accordance with the direction of the Bishop, public worship is currently suspended for reasons of public health.

St Paul's will be open for private prayer at times when public worship would normally take place.

Our pattern of daily prayer and the Mass will continue, but these are not public services; those who wish to pray are asked to use the nave and maintain proper social distance (two metres) from one another.

We are living in an uncertain world, but let us together use this time to live out our Christian witness, showing love, care and compassionate to those in need, in the knowledge of the love of God made known in Jesus Christ.

If you or anyone you know who is part of the S Paul's community falls ill, please let me know either by telephoning the Vicarage (01273 727362) or by email: frrobnorbury@aol.com.

Finally, let us use this time to be strong and positive – to show care, love and compassion to those in need, in the knowledge of the saving love of Jesus.

Fr Robert
