## QUALITY VOICES

**experienced singers ~ sight readers ~ anyone keen to join in**

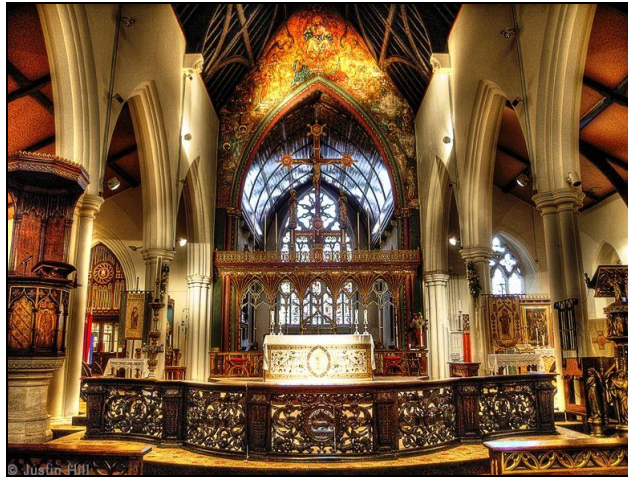

Sing with us on Sunday mornings (rehearsal 10.15)  
from our extensive repertoire of Mass settings:

**Plainchant** *or* **Byrd** *or* **Finnissy**

**Monteverdi** *or* **Mozart** *or* **Mascagni**

(and many, many more)

Our core of experienced voices will be supporting you as we complement the beauty of the 11a.m. Sunday **Solemn Mass** with some of the most uplifting sacred music of the last 500 years. There are many opportunities for **solo singing** within the liturgy.

**S. Paul's**, surely one of Brighton's most beautiful Victorian churches, has a long and distinguished musical tradition.

**Instrumentalists** are invited to join the **Academy of Saint Paul's** to augment the Choir on special feast days and in our seasonal concerts.

We rehearse occasionally on Saturdays (afternoon/early evening) to learn new repertoire. For more information contact our Director of Music, **Richard Dawson** (recently Organ Scholar at Keble College, Oxford and now on the staff at Brighton College):
